

**Aaron Anderson**

**1. What makes you qualified to be a Trustee in the TDSB?**

The biggest reason is that I deeply share the same values as most TDSB families. I want to put families and students first. Also, I have developed leadership and budgeting skills having served on my condo board for many years. I wish to bring these skills to the TDSB.

**2. What is your connection to Don Valley West?**

I have been a lifelong resident of Toronto, and have lived in the core of the city, not far from Don Valley West, for about a decade now. For work, I regularly do shifts in Don Valley West.

**3. What do you see as the most important role of a school trustee?**

Respecting parental rights.

**4. What issues do you think need to be addressed most urgently?**

The diversity, equity and inclusion agenda has gone too far and must be abolished. It is highly disingenuous and manipulative. It is also important we push for the TDSB to increase the number of school days per year.

**5. If elected, how much time are you prepared to dedicate to this position? How do you anticipate spending this time?**

This is truly a full-time position, and I will treat it as such. I will spend significant time working directly with families to ensure student success.

**6. Are you affiliated with a political party?**

No.

**7. Do you have any endorsements?**

No, I have not been seeking endorsements.
