Media Video for School Council Website Update

Community Wide Student Led Events:

- Northern's Winterlude
- United Way Fashion Show
- Northern's Talent Show
- Annual Musicals
- Sports Games
- Art Night

Next Steps:

1. Get in touch with student heads

-
2. Collect media photos/clips
 3. Edit and compile media into a video

Questions

- Are all the events combined in one video or are there separate short reels for each event?
- Would parents prefer a short video with media highlights or an elaborate video where we, for example, interview students?
- Who is responsible for editing the video? (Student Volunteers?)
